

# Discover the power of

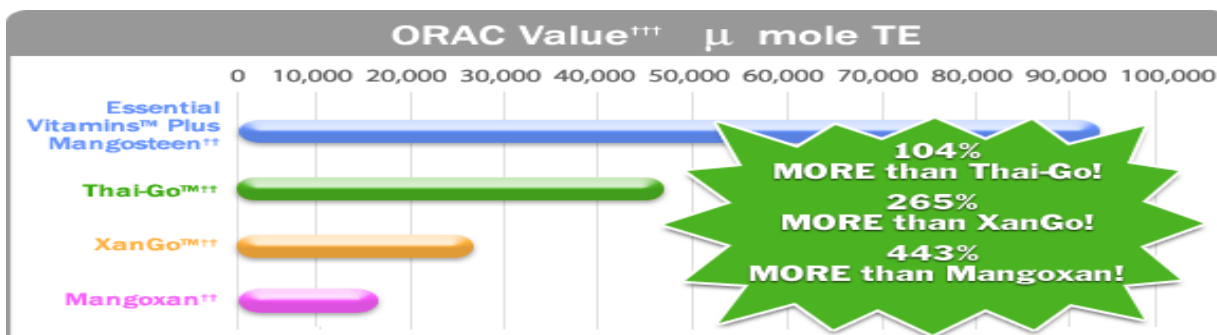

# Mangosteen...

## Quite Possibly the Most Powerful Liquid Antioxidant Product Available anywhere — Essential Vitamins™ Plus Mangosteen!

Our newly-reformulated Essential Vitamins™ Plus Mangosteen enhances our original Essential Vitamins™ with powerful, antioxidant-rich, whole fruit mangosteen (*Garcinia mangostana*), whole leaf aloe vera juices and green tea. Plus, we removed the fruit and vegetable blend in the original formula to make room for 100% more mangosteen and 50% more aloe vera. The result is the finest quality mangosteen and aloe product available anywhere! Now, there are **even more** advantages for your health and wellness!

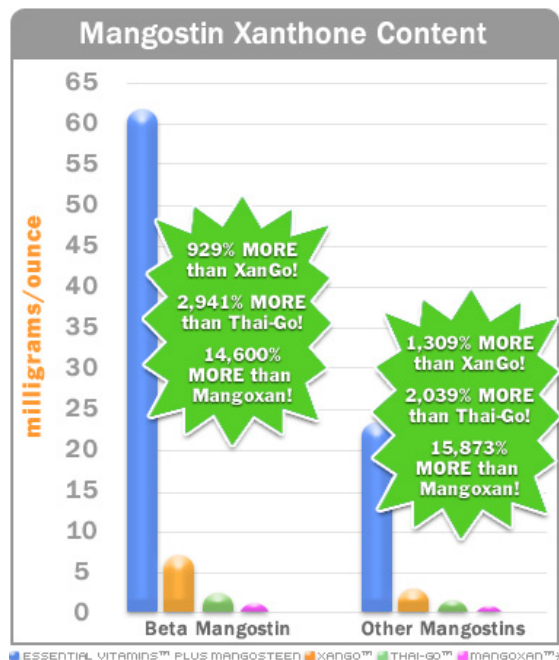

The measurement of an antioxidant's power to neutralize free radical damage at the cellular level is known as the Oxygen Radical Absorbance Capacity or **ORAC value**. See how much more antioxidant power **Essential Vitamins Plus Mangosteen** has over the next leading mangosteen product:

†† Comparison based on independent lab tests conducted in August 2003 (Lot #B#12184), February 2004 (Lot #A01) and June 2004 (Lot #D64012 & #00455304). Product and company names are registered trademarks. ††† Testing methods based on clear supernatant liquid after centrifugation at 4000 RPM and 4 degrees C.

### Mangosteen-Powered Antioxidants.

Mangosteen, known as the "Queen of all fruits" has been used for centuries by Asian health practitioners for its nutritional benefits and delicious flavor. Essential Vitamins Plus Mangosteen provides powerful, plant-based antioxidant protection from whole fruit mangosteen and the xanthone-rich pericarp (rind). **Xanthones** are natural compounds that provide the body with powerful plant-based nutritional benefits. Of all the known xanthones, the "beta mangostin" compound is one of the most studied and researched. New Vision®'s Essential Vitamins Plus Mangosteen provides 61.7 mg of beta mangostin per ounce while XanGo™ provides 6 mg per ounce, Thai-Go provides 2.03 mg per ounce and Mangoxan provides only 0.42 mg per ounce. In addition, Essential Vitamins Plus Mangosteen provides 23.9 mg of other xanthone mangostin compounds per ounce while XanGo provides only 1.7 mg per ounce, Thai-Go provides 1.12 mg per ounce and Mangoxan provides only 0.15 mg per ounce. In total, Essential Vitamins Plus Mangosteen provides 85.6 mg per ounce of xanthones to XanGo's 7.7 mg, Thai-Go's 3.15 mg and Mangoxan's 0.57 mg. To maximize the xanthone and antioxidant content, New Vision uses the whole fruit of the mangosteen including the xanthone rich pericarp.
